Shannon Brush is a native of Texas and a graduate of the University of Texas at Austin. Her second son, Peyton, has severe hemophilia B. Shannon lives in Southlake, Texas, with her husband Alan and their three sons.

Brooke Henson

Brooke Henson was born and raised in southern Louisiana and earned a degree in illustration from Savannah College of Art and Design. After a decade of being away from her hometown of New Orleans, Louisiana, Brooke has recently settled there with her husband Brandon and their two daughters.

Since 1990, LA Kelley Communications has been a world leader of groundbreaking educational materials on hemophilia and related bleeding disorders. With more than a dozen books, numerous publications, and the oldest hemophilia newsletter in America, LA Kelley Communications remains a trusted source of practical information about raising children with bleeding disorders.
